CHAIR'S WELCOME

EACR25: JOIN US IN CELEBRATING THE 50TH ANNIVERSARY OF THE EUROPEAN ASSOCIATION FOR CANCER RESEARCH

The 25th Biennial Congress of the European Association for Cancer Research (EACR25) celebrates the EACR's 50th Anniversary Year. I am very pleased to invite you to take an active part in this landmark Congress from 30 June to 3 July 2018 in Amsterdam, Netherlands.

Since its foundation in 1968, the EACR has aimed to meet the needs of researchers from a wide variety of backgrounds at all stages of their careers. Fifty years later, with more than 10,000 members across the full spectrum of cancer research, we have designed the scientific programme of EACR25 to meet these same diverse needs, whilst also bringing researchers together.

The theme of the Congress is 'From Fundamental Insight to Rational Cancer Treatment', covering the journey of discovery and development 'from bench to bedside'. The Congress will feature world-class speakers discussing the most innovative current research topics, including a special education track aimed at clinicians. As well as high-profile plenary sessions, the programme offers parallel symposia, allowing participants to build their own scientific programme according to their interests.

EACR25 participants will also benefit from plenty of chances to interact, discuss and reflect on the information presented. These include workshops for early-career researchers, dedicated networking sessions and social events, and the opportunity for participants to share their work through oral and poster presentations, including the new 'poster spotlight' sessions which highlight the most promising posters to a wider audience.

My home city of Amsterdam provides an ideal venue for the EACR Congress, being a centre of cancer research and innovation that also offers a rich local cultural experience and excellent transport links.

I hope that you will accept this invitation to be a part of this important 50th Anniversary Congress, to make new contacts and collaborations to support your own vital work, and be inspired by colleagues from around the world.

See you in Amsterdam!

*Anton Berns
Congress & Scientific Chair
EACR President*

WHY SHOULD YOU ATTEND EACR25?

EACR25 will offer:

- **Innovation:** covering the journey of discovery and development from bench to bedside
- **Focus:** participants can create a tailor-made programme from the 3 parallel tracks covering 18 priority areas
- **Breadth:** the EACR Congress is Europe's largest dedicated conference on basic and translational cancer research
- **Sharing:** poster sessions and proffered papers to allow researchers at all levels to share their results and discoveries
- **Networking:** excellent opportunities to meet new contacts and develop new collaborations

Speaker: D. Pe'er (USA)
- 09:30** Presenter to be selected from best abstracts
Presenter: To be announced
- 09:40** Title to be announced
Speaker: A. Sottoriva (United Kingdom)

Symposium: DNA Damage

08:30 - 10:05

- 08:30** Cellular responses to DNA damage: From mechanistic insights to clinical applications
Speaker: S.P. Jackson (United Kingdom)
- 08:55** Presenter to be selected from best abstracts
Presenter: To be announced
- 09:05** Aneuploidy and cancer - a complicated relationship
Speaker: A.B. Amon (USA)
- 09:30** Presenter to be selected from best abstracts
Presenter: To be announced
- 09:40** Title to be announced
Speaker: S. Nik-Zainal (United Kingdom) – To be confirmed

Symposium: Tumour Metabolism

08:30 - 10:05

- 08:30** Title to be announced
Speaker: K. Vousden (United Kingdom)
- 08:55** Presenter to be selected from best abstracts
Presenter: To be announced
- 09:05** Title to be announced
Speaker: E. Gottlieb (Israel)
- 09:30** Presenter to be selected from best abstracts
Presenter: To be announced
- 09:40** Crosstalk between cancer cell metabolism and immunosurveillance
Speaker: G. Kroemer (France)

Symposium: Response and Resistance in Cancer Immunotherapy

11:00 - 12:35

- 11:00** Title to be announced
Speaker: T. Gajewski (US) – To be confirmed
- 11:25** Presenter to be selected from best abstracts
Presenter: To be announced
- 11:35** T cell recognition and tumor resistance in human cancer
Speaker: T. Schumacher (Netherlands)
- 12:00** Presenter to be selected from best abstracts
Presenter: To be announced
- 12:10** Title to be announced
Speaker: I. Mellman (USA) – To be confirmed

Symposium: Tracking Cancer in the Blood

11:00 - 12:35

- 11:00** Title to be announced
Speaker: C. Dive (United Kingdom)
- 11:25** Presenter to be selected from best abstracts
Presenter: To be announced
- 11:35** Title to be announced
Speaker: M. Speicher (Austria)
- 12:00** Presenter to be selected from best abstracts
Presenter: To be announced
- 12:10** Cancer evolution as a therapeutic target
Speaker: A. Bardelli (Italy)

Symposium: Epigenomics

11:00 - 12:35

- 11:00** Methylated biomarkers in circulating tumor DNA of colorectal cancer patients
Speaker: F. Di Nicolantonio (Italy)
- 11:25** Presenter to be selected from best abstracts
Presenter: To be announced
- 11:35** Title to be announced
Speaker: A. Tanay (Israel)
- 12:00** Presenter to be selected from best abstracts
Presenter: To be announced
- 12:10** Context-dependent roles of Polycomb repressors in cancer and development
Speaker: M. Van Lohuizen (Netherlands)

Career Discovery Session: Careers in Academia

13:00 - 14:30

Symposium: Models for Immunotherapy

14:30 - 16:05

- 14:30** New humanized mice for the study of human cancer and its therapy
Speaker: R.A. Flavell (USA)
- 14:55** Presenter to be selected from best abstracts
Presenter: To be announced
- 15:05** Title to be announced
Speaker: L. Zitvogel (France)
- 15:30** Presenter to be selected from best abstracts
Presenter: To be announced
- 15:40** Modeling Epstein-Barr Virus pathologies in mice
Speaker: K. Rajewsky (Germany)

Symposium: The Ras Pathway and Cancer

14:30 - 16:05

- 14:30** Where next for precision medicine in melanoma?
Speaker: R. Marais (United Kingdom)
- 14:55** Presenter to be selected from best abstracts
Presenter: To be announced
- 15:05** New ways of targeting Ras
Speaker: F. McCormick (USA)
- 15:30** Presenter to be selected from best abstracts
Presenter: To be announced
- 15:40** Deconstructing K-Ras signaling in cancer: Identification of effective therapeutic strategies for lung and pancreatic tumors
Speaker: M. Barbacid (Spain)

Symposium: Tumour Microenvironment

14:30 - 16:05

- 14:30** Title to be announced
Speaker: J.A. Joyce (Switzerland) – To be confirmed

BURSARIES

EACR MEETING BURSARIES (EACR MEMBERS ONLY)

The EACR will award Meeting Bursaries to assist EACR members to attend the Congress and make a poster presentation. Application deadline: 16 February 2018.

The scheme is designed to support members who are postgraduate students or have less than four years post-graduate experience and have difficulties in securing alternative funding to participate in the Congress.

The bursary will contribute to the costs of the registration fee, travel and accommodation.

Further information and application forms are available at: eacr25.org

GENERAL INFORMATION

ACCOMMODATION

Hotel accommodation at reduced rates for both individuals and groups can be found online through: eacr25.org

All rooms are booked on a first come, first served basis. The deadline for hotel reservations is 14 May 2018. Bookings received after this date will be subject to availability. In order to benefit from the reduced rate, please clearly mention 'EACR25' when making your booking.

To benefit from the best accommodation rates, please make your travel arrangements early.

CATERING

Coffee breaks and lunches are scheduled during the Congress and included in the registration fee. Please refer to the Programme at a Glance on pages 4-5 for timings.

Additionally, a variety of catering outlets will be open for the sales of refreshments throughout the day.

EXHIBITION & SPONSORSHIP

The EACR25 exhibition represents an essential part of the Congress, providing participants with an excellent platform for networking as well as the perfect opportunity to gain critical insight into cutting edge technology and the latest solutions and services within the cancer research field.

The EACR25 Invitation to Industry (ITI) offers a wide and exciting range of opportunities and tools to achieve the highest level of exposure to researchers working across all fields of cancer research. To download the Invitation to Industry brochure and view the exhibition floor plan please visit the Congress website: eacr25.org

For further information on sponsorship and exhibition opportunities, please contact:

ACCREDITATION FOR CONTINUOUS MEDICAL EDUCATION (CME)

Application for accreditation will be submitted to the European Accreditation Council on CME (EACCME), a body of the European Union of Medical Specialists (UEMS). The UEMS works in partnership with the Accreditation Council of Oncology in Europe (ACOE) for the evaluation of oncology CME events.

INSURANCE

The organisers do not accept liability for individual medical, travel or personal insurance and participants are strongly advised to make their own arrangements regarding health and travel insurance.

ITALIAN PARTICIPANTS – ‘PRERICHIESTA AIFA’

EACR25 will appoint a sole agency in Italy to manage all administrative details regarding the legal documentation required by Italian Legislative Order n. 541 of 30 December 1992, art 12, para 3.

For Italian ‘Prerichiasta AIFA’ we ask you to contact the IPCAA – Italia Association directly.

Email: ipcaa@libero.it

LANGUAGE AND TRANSLATION

The official language of the Congress is English. No simultaneous translation will be provided.

PASSPORT & VISA

A valid passport is required for entry into the Netherlands. A visa may be required for some countries. For information about visa and passports please contact your local Dutch Embassy at least three months prior to your departure to join us in Amsterdam. For more detailed information visit the [Government of the Netherlands website](#).

SOCIAL EVENTS

Saturday 30 June 2018 before the start of the scientific sessions

- Meet and Greet for Solo Travellers, hosted by EACR Ambassadors

An informal, social occasion where delegates travelling by themselves can meet and make some connections before the scientific sessions begin.

Saturday 30 June 2018, 16:45

- Opening Lecture & Mühlbock Lecture and Exhibitors’ Reception

All registered participants are invited to join us for an inspiring Opening Lecture followed by the Mühlbock Lecture and an Exhibitors’ Reception at the congress venue. This event will be a great opportunity to network with colleagues in a relaxed setting.
